Financial Policy

Thank you for choosing our office for your dental needs. We realize that every person's financial situation is different. For this reason, we have worked hard to provide a variety of payment options to help you receive the dental care you need and deserve that allows you to enjoy a healthy, beautiful smile with respect to your budget. Dental treatment is an excellent investment in an individual's medical and psychological care. We are always available to answer your questions or assist you in any way we can.

To maintain the practice operations and prevent potential misunderstandings, we ask patients to accept and adhere to the following financial arrangements regarding their dental treatment.

Payment Options:

- Cash/Check:** Patient portion of the bill in the form of cash or check. We will still file your insurance and payment will go directly to you the patient.
1. **Major Service - Two Payment Option:** We offer a two-payment option for Crown, Bridge, and Denture treatment. We ask that you pay one-half of your co-payment at the first appointment and the second half at the seat date appointment.
 2. **Credit Card Payment Option:** We accept Visa, Master Card, and Discover. We allow (with a signed agreement form and established payment history with our office), a Credit Card Payment Option, which allows you to make three equal installments by credit card. One-third payment is due at the first appointment, one-third is due thirty days later, and the remaining one-third is due sixty days from the initial appointment. Our office personnel will charge these payments to your credit card on the due dates.
 3. **Term Loan:** By arrangement with Personal Finance, we offer our patients, upon approval, an interest-free term loan (up to 12 months) with no down payment, no annual fee, and no prepayment penalty. Please ask for an application.

Payments are expected at the time services are rendered.
